

Lester Public Library of Rome ReOpening Plan - COVID-19 Pandemic

A pandemic is an outbreak of a disease that occurs over a wide geographic area and affects an exceptionally high proportion of the population. This plan provides information about preparing for a pandemic, including library-specific plans for continuation of service, special procedures of cleaning facilities, and equipment and handling of materials.

The library may be closed on short notice by the Library Director, if there is a resurgence of the virus in our community or other issues related to safety/health if they arise, based on Town, County, State, or Federal Agency reports or recommendations.

Communication Plan Staff

- Communication to all staff will be done through a combination of email and cell phone.

Public

- The public will be notified of changes in service level through the Library's website and social media.

Library facilities will be closed:

- If the Town of Rome is closed; and/or;
- social gathering guidelines discourage gatherings of fewer than 10 people;
- upon the advice of Adams County Health Department officials; and/or
- when a minimum of healthy personnel, including at least 1 full-time librarian, are not available to staff the library.

Safety Measures for Staff

- Healthy staff shall continue working either in the library or remotely. Work schedules will be created and shared by the Library Director.
- Employees who are ill or are currently exposed to illness through family and friends should not report to work.
- Employees who have symptoms of COVID-19 should notify the Library Director and stay home.
- Employees with symptoms of COVID-19 will be sent home if they arrive at work and will not be allowed to return until cleared by a medical provider.
- While at work, staff are expected to social distance.
- Masks shall be worn by all staff unless accommodations are requested and approved.
- Shared workstations will be sanitized regularly and at the beginning and end of every shift.
- Plexiglass safety guards installed at circulation counter.
